Going Your Way

## Is it Important to Have Travel Medical Insurance?

Perhaps the better question is whether you are prepared to travel without it. While international travel is often interesting, fun and exciting, it is important not to ignore the real risks we face, even though we do not like to think about them happening. Imagine it is 3 a.m. back home; you are severely injured in a fall. Will anyone pick up the phone at your local insurance company? If they do, can they or will they be able to help you in an emergency? Many health insurance plans have restrictions for time out of home country or geographic areas which lack coverage. Be confident when you arrive in another country that you'll enjoy the security of the finest travel medical insurance protection available in the market today. Azimuth Risk Solutions provides the essential coverage and service to respond quickly, compassionately and professionally to the emergency mentioned above and hundreds of other travel emergencies.

## Is the Beacon Series a Good Value?

The Beacon Series offers the most comprehensive series of benefits available in today's travel medical insurance market all at an affordable price. However, the real value of an insurance plan exists in the company behind the plan and its ability to respond in a time of need. Azimuth takes exceptional pride in its ability to professionally serve our clients no matter where they are in the world and at any time of the day or night. Azimuth stands ready to provide solutions with professionals who enjoy helping other people.

## Who is Eligible To Purchase the Beacon Series?

Anyone more than 14 days old who travels outside of their home country should be protected with the Beacon Series. If you are a US citizen, your home country is always the US. If you are a non-US citizen, your home country is the location of your principal residence and where you receive mail at the time of your application for insurance.

## What Does the Beacon Series Cover?

The description in this brochure is a general discussion of the coverage provided by the Beacon Series. A complete statement of your benefits is delivered with the fulfillment of the Beacon Series upon purchase. If you would like a plan summary in advance, you may request one via email at: [service@azimuthrisk.com](mailto:service@azimuthrisk.com) or by calling Azimuth Risk Solutions, LLC at 888-201-8850 or 317-644-6291.

## Who Insures This Plan?

The preeminent name in international insurance is Lloyd's, London. This largest, oldest and most respected insurance market is the insurer on all Azimuth Risk plans. You will have the security of knowing that you are working with an insurer who has paid every eligible claim for more than 320 years. Lloyd's is rated 'A' by AM Best Company and Standard & Poor's for their superior ability to pay claims.

## Sudden Onset of Preexisting Condition:

If you have a prior health condition which suddenly and unexpectedly asserts itself during your travel, the Beacon Series does provide a limited amount of coverage to help mitigate this unpleasant surprise. If you are a US citizen, you have coverage up to \$20,000 (including emergency medical evacuation). As a non-US citizen you have up to \$1,000 of coverage for medical expenses only. Enjoy peace of mind, even if your past health history has a few blemishes with this powerful benefit.

## What If I have a Claim?

The claim process is quite simple. In the event that you have a claim for eligible expenses you have already incurred, simply complete our Claim Form, which is included in your plan fulfillment and available online and return to Azimuth with your original receipts and your eligible expenses will be promptly refunded. As with every aspect of Azimuth's operations, if you have any difficulty, simply contact Azimuth and we will gladly help you with completing the process. In the event that you have a large or ongoing claim your precertification through Azimuth will in many cases allow us to arrange for your care and payment directly to your healthcare provider.

## Precertification:

In order to receive complete benefits, hospital admissions, trip interruptions, repatriation of mortal remains, emergency medical evacuations, any eligible inpatient or outpatient procedure as indicated in the Evidence of Insurance, must be precertified by contacting Azimuth Risk Solutions, LLC through the contact information indicated on the member's identification card prior to receiving service. In the case of emergency hospital admission, Azimuth must be contacted within the first 48 hours of admission or as soon as possible. **Precertification is not a guarantee of coverage.**

## Trip Delay: Exclusive Azimuth Benefit!

As we all know, travel can sometimes lead to frustration and trip delays are a big part of that frustration. In the event your travel is significantly delayed, the Beacon Series provides \$100 a day to help defray unexpected expenses as a result of such a delay.

## Quick Trip Home Coverage:

Longer trips may require that you return home for a brief time to manage your affairs. Perhaps it is important to be home for the holidays; if so, the Beacon Series has you covered. If you purchase at least 3 months of coverage, the Beacon Series provides coverage in your home country for up to 14 days in your home country for a quick visit home, after which you would then complete your international travel.

## What if I Stay Longer?

Sometimes you just need a little more time away from things at home. With the Beacon Series, it is easy to stay covered. Simply login to the ARS Client Center at the Azimuth website, [www.azimuthrisk.com](http://www.azimuthrisk.com) after your initial purchase and you can extend your plan up to a maximum overall Coverage Period of 12 to 24 months depending upon your citizenship.

## Home Country Coverage at End of Trip: *Exclusive Azimuth Benefit!*

A long time away from home requires a little time to get acclimated to life back home. That is why we provide 15 days free with a 6 month purchase or 30 days free with a 12 month purchase.

## Terrorism:

Today's headlines provide a regular reminder of the challenging environment in which we live. Terrorism, by its very nature is to take advantage of the unaware and unprepared. While we cannot stop these events from occurring, the Beacon Series is prepared to help with covering the expenses for medical care in case you are injured in such an attack.

## Emergency Medical Evacuation:

It is likely that the most significant financial and personal risk you face abroad is the need for an emergency medical evacuation. In the case of a life threatening injury or illness, the Beacon Series provides coverage to transport you to the nearest facility which can properly care for you. We know it's important not to feel alone at a time of crisis, so the Beacon Series provides coverage to transport an immediate family member or friend to your bedside in the event you are evacuated.

***All benefits discussed here are as indicated in the schedule of benefits.***
